## Who We Are

St. Paul's is part of the Episcopal Diocese of San Diego, California.

We are a committed, Christ-centered parish that values Christian education and formation, instructional preaching, and liturgical worship. A welcoming, multigenerational family with established ministries and diverse music. We are a traditional parish with a wide variety of theological views.

We celebrate the sacraments of Baptism and Holy Communion, as well as the other five sacraments, in obedience to the teaching of Jesus Christ. What we stand for is most clearly evident in our forms of worship where, through Spirit-filled services with much congregational participation, we seek to give praise and thanks to God in the name of Jesus Christ. We welcome worshippers from every Christian tradition.

Our Sunday service is celebrated at 10:00 am in English, alternating between a traditional service and a more contemporary style service. Our Spanish service follows at 12:30 pm.

The 48 congregations of the Episcopal Diocese of San Diego reside in San Diego County, Imperial County and Southern Riverside County in California and Yuma County in Arizona. Originally part of the Los Angeles Diocese, the San Diego Diocese was created in 1974.

We are a diverse community committed to living out the message of Jesus Christ. This message is one of hope for the oppressed, love for the outcast, home for the alien, and peace for all people. We are rooted

in the ancient church and our eyes and hearts look to the future. Further information about the Diocese can be found at: <u>http://www.edsd.org/</u>

The Rt. Rev. James R. Mathes is the chief pastor of our diocese. He's the apostolic leader in mission, evangelism and spiritual formation. He represents the diocese to the wider church and the wider church to the diocese. On November 13, 2004, Jim was elected to serve as the fourth bishop of San Diego and was consecrated in March of 2005.

The Right Reverend James R. Mathes Episcopal Bishop of San Diego

## **PRESIDING BISHOP**

The Most Rev. Dr. Katharine Jefferts Schori, previously Bishop of Nevada, is the 26th Presiding Bishop of the Episcopal Church. She is chief pastor to the Episcopal Church's 1.2 million members in 17 countries and 109 dioceses, ecumenical officer, and primate, joining leaders of the other 38 Anglican Provinces in consultation for global good and reconciliation. Jefferts Schori

was elected at the 75th General Convention on June 18, 2006, and invested at Washington National Cathedral on November 4, 2006.

History of St. Paul's

In 1904, the United States Congress authorized the Yuma Reclamation Project which provided for the construction of dams on the Colorado River and irrigation canals for agriculture. These projects greatly increased Yuma's population. To provide a place for worship services in the Episcopal faith, the Episcopal Women's Guild was organized in 1905. There were eight women in the founding group and, in the following three years, membership was increased by women whose husbands were connected with the reclamation project or with the expansion of businesses which came as the result of the population increase.

Bishop Kendrick visited in 1906 at the request of the Guild and purchased lots with a one hundred foot frontage on

Second Avenue. Sometime later Woodman's Hall on First Avenue was leased for Sunday morning services. Lay readers were appointed by the Bishop, and occasionally a priest was sent down from Phoenix.

The Laguna Dam of the Yuma project was completed in 1910 and employees moved to Yuma. This was a prosperous era for the Episcopal Women's Guild, giving them sufficient funds to further the plans for the Episcopal Church in Yuma.

The Reverend George Selby was appointed to organize a new parish for the Episcopal Missionary District and arrived in Yuma. Plans were drawn up by Lawrence Lawson for a church building. The adopted plan called for five stained glass windows. The side windows were of opaque glass. The Guild provided the window above the entrance, the window above the altar and the window to the north which was dedicated to Bishop Kendrick. Mr. Lawson provided the window in the choir, dedicated to his mother who had died when he was a small boy. The church was named St. Paul's Episcopal Church and was dedicated in December of 1909. Services continued in the building at 643 2nd Avenue for fifty-four years.

A building fund campaign was begun in March of 1959 with the goal of raising \$100,000 for a new, larger church.

The new church was built at 1550 South 14th Avenue on land donated by Mr. and Mrs. F.C. "Frosty" Braden, Mr. & Mrs. F.H. Johnson, and Dr. & Mrs. John F. Stanley. It was dedicated on Christmas Eve 1961. St. Paul's celebrated its 100th birthday in December of 2009.

## Mission and Vision of St. Paul's

Our Vision is to be the Church that Jesus wants us to be, reflecting His love, welcoming each individual into life with Him and actively reaching out to the world around us.

Core Values

## CHRIST CENTERED

We center our faith and worship on the fullest revelation of God in His Son Jesus Christ, and we acknowledge His "headship" over our church.

#### SPIRIT-FILLED

We seek to live in the strength, power, and wisdom of the Holy Spirit.

#### BIBLE BASED

We believe the Holy Scripture of the old and new testaments to be the word of God and to contain all things necessary for salvation.

## CARING

We are a welcoming, open and deeply relational community seeking to love one another as Christ loves us.

#### **OUTWARD FOCUSED**

We seek to follow Christ's command to love our neighbors as ourselves by ministering to the world around us.

#### LEADERS

We are a congregation of servants committed to finding, training and empowering new generations of Christian disciples.

#### ANGLICAN

As Episcopalians, our identity is in Christ through the worldwide Anglican Communion.

 $\mathcal W$ e are Servants of Jesus Christ, putting His love into action by:

- Magnifying God's Name
- Proclaiming God's Word
- ✤ Equipping God's People for Ministry
  - Caring for God's World

 $^{\mathcal{C}}\mathcal{W}$ e are seeking, serving and sharing Christ.

Future Goals

- Developing Christian Education and Formation Program
- Empowering Youth for Christian Discipleship
- Equipping God's People for Ministry
- Developing Growth Strategy
- Encouraging and Developing Lay Gifts for Outreach Ministries

St. Paul's Courtyard

## The Rector We Seek

*We ask God* for a rector who has had his or her life transformed by their relationship with Jesus Christ, and whose daily life and actions demonstrate this transformation.

*We ask God* for a rector who will focus on the mission we are called to in Christ rather than political or theological agendas.

*We ask God* for a rector with the ideas and experience to equip our laity with the skills and faith that will allow us to bring God's mission for us to fruition.

*We ask God* for a rector who teaches while he/she preaches, challenges as he/she inspires, and brings God's Word to life by example.

We ask God for a rector who respects and honors the liturgy and traditions of the Anglican Church.

*We ask God* for a rector whom God can use to grow His kingdom at St. Paul's Episcopal Church in Yuma.

PRAY

*We ask God* for a rector with skill in administration, communication, organization, and delegation.

*We ask God* for a spiritual servant leader, a humble shepherd, who will care for their flock with love and value each of us enough to search us out when we are lost.

*We ask God* to send His spirit into the heart of the rector He has chosen for us, and into the hearts of each member of our Calling Committee, that we might do His will and come together to do His work.

## Church Facilities

St. Paul's is located on the corner of 16<sup>th</sup> Street and14<sup>th</sup> Avenue about 2 miles west of Interstate 8 on 16<sup>th</sup> Street. Our campus is approximately 6 acres and contains 3 buildings. We are currently

using a little more than three acres which includes our parking lot. Long range plans are in development for a new parish hall and classrooms.

## THE CHURCH BUILDING INCLUDES:

- Sanctuary, choir loft, and narthex that can accommodate over 300 worshippers per service
- Chapel that can accommodate 12 people for intimate services
- Columbarium located in the narthex made up of 4 sections each with 66 niches.
- Rector's office, administrative offices, Acolyte and Choir vesting rooms, and the Sacristy.

## ST. PAUL'S PIPE ORGAN

A magnificent 752 pipe, 2 manual organ custom designed and built by Casavant Freres Limitte of St. Hyacinthe, Quebec, Canada. Betty Rae Norfleet played the organ faithfully for all services for twenty-six years. She was the only organist St. Paul's had until her retirement in May, 2007. Our current Music Director and Organist is Tom Fletcher.

## Two Parish Buildings Containing:

Multipurpose Room to accommodate various activities and ministries

- Four Classrooms, one with video equipment
- Nursery with age appropriate material for infant through kindergarten
- The Kinsolving Room, named for Arthur Kinsolving, the first Bishop of the Diocese of Arizona. It includes a fellowship room with a kitchen.

## Stained Glass Windows

The stained glass windows at St. Paul's Episcopal Church were created by the Judson Studio of Los Angeles in the early 1970's. Sally Morse, church secretary at the time, related that these windows used up the entire final production of glass from a particular English glass manufacturer. Judson Studio fashioned a number of other windows in our area, including those for Episcopal Church of Sts. Peter and Paul in El Centro, California, and Trinity Episcopal Church in Escondido, California. These windows all exhibit the exquisite artistry in an amazingly thick stained glass.

The windows represent the ministry and life of St. Paul. Each window has a specific theme. The whole story proceeds from the power and support of Jesus Christ, who is the subject of the largest of the windows, and whose window provides light for the altar and chancel of the church's sanctuary.

The Christ Window

Each of the nine smaller windows depicts a scene in the center against a colored background. Every window also has two crosses of varying design in the lower left and right corners. These additional crosses introduce the window's theme and tend to connect the windows with each other. The windows represent:

- 🕆 The Stoning of St. Stephen 🕆 Paul in Controversy with the Jewish Law 🕆 Paul on His Missionary Journeys

  - The Conversion of St. Paul 🕆 Paul Preaches to the Gentiles
- Paul Shipwrecked on the Island of Malta

Paul as Healer Paul at His Desk Paul—the Prisoner for Christ

There are specific scripture references related to each of the nine windows. Additionally, there is far more detail about each of the windows in a brochure specifically written about them including large photographs. A copy of the brochure may be obtained by contacting the Church Office.

## THE CHAPEL WINDOW

The cross in the chapel is designed in the spirit of Mexico, since the Chapel is constructed with mission styling. Unlike the ones in the sanctuary, this window is at eye level.

The eleven stained-glass windows at St. Paul's Episcopal Church were donated by members of the parish as memorials and offerings.

The Lighthouse

Immediately adjacent to the church campus is the church-owned "Lighthouse", currently the residence of our Deacon. In addition to living space, there is a full basement, opening to the outside, that can accommodate youth activities. The large outdoor deck has one of the best views overlooking the Yuma Valley with its spectacular sunsets.

Ministries and ParishLife

## **ACTIVE MINISTRIES INCLUDE**

**ACOLYTES** - Youth (ages 6 and up) who serve with the clergy in all services. Acolytes learn about the heart of worship - the meaning behind the motions. They learn reverence to God, following directions, leadership skills, confidence, teamwork and make friends.

**ALTAR GUILD** - This ministry is for those who are dedicated to Christ and who want to serve him by preparing the church and the altar for worship services. Responsibilities include the care of vestments, linens, and hangings, filling the candles with oil, and preparing the elements and the altar for Communion and special services.

**CURSILLO** - This special retreat weekend, held twice a year, is for Christians who desire a deeper walk with Jesus. Held at Camp Stevens in Julian, CA., the weekend includes worship, discussions, prayer, sharing, fun, and good food. It is an experience that seeks to bless the participants with the unconditional love of God in a beautiful mountain setting. Cursillo's goal is not only to bring people to Jesus, but also to send them out into their spheres of influence to serve and lead others into a relationship with Jesus Christ. Camp Stevens serves the Episcopal Dioceses of Los Angeles and San Diego, where all are welcome.

**CANTERBURY HANDBELL CHOIR** - This music ministry is fun and makes beautiful music with its 3 octave set of Schulmerich hand bells. The Handbell Choir performs pieces for the Christmas and Easter worship services, and may perform at other worship services throughout the year.

**ECW (EPISCOPAL CHURCH WOMEN)** - All women in the Episcopal Church are automatically members, and ECW is a place where women can get together to share fellowship, study, prayer, and service to the church and the community. They also provide generous donations in

support of many church activities. Meetings are held monthly.

**HOSPITALITY MINISTRIES** - Coffee Hour: Fellowship is always best when accompanied by refreshments, and we are blessed to have people coordinating the coffee hour hosts for each Sunday after the Service. We are also blessed to have someone making sure that no occasion lacks that special touch. Our condolence committee takes care of every detail so that those in mourning the loss of a loved one will know that their guests are in good hands.

**LAY READERS & CHALICE BEARERS** - Lay readers are given the opportunity of reading Bible passages and leading the prayers of the people. Chalice Bearers have the privilege of bearing God's presence to His people through serving the wine during Communion.

**LAY EUCHARISTIC VISITORS** - This is a special and personally rewarding ministry that brings Communion (the Sacrament of the Body and Blood of Jesus) to the sick and shut-ins of our church family. Those interested must receive training, as the ministry is both personal and sacred.

**OUTREACH MINISTRY** - The Outreach team works towards planning and executing ministry which benefits those outside our immediate church family. Their Mission Statement is to help others help themselves through a Christ-centered balance of local, national and global assistance. St. Paul's is a tithing parish with a goal of 10% of the revenue to be dedicated to outreach. In giving to needs, the following criteria is used:

- Tangible and direct to service best bang for the buck
- Helping others help themselves "teach a man to fish"
- Balance of local, national and global needs
- Christ-centered in Jesus' name for His sake

To accomplish this, St. Paul's has currently chosen to support the following:

Global: The Heifer International - two goats

National: <a>
</a>
Gary Sinise Foundation to benefit veterans

## Local:

- Amberly's Place: a one-stop safe environment for abused women and children.
- Crossroads Mission: a live-in shelter for the homeless, also offering a substance abuse program.
- Salvation Army
- ✤ Yuma Community Food Bank
- The Healing Journey: a program to help abused women and children

ESL Class

Other ministries, programs and events are also supported through numerous activities. Volunteers from the Parish teach English as a Second Language (ESL) classes.

Giving is measured in time, talent and treasure and there have been countless hours donated by so many to help others.

Our outreach takes many forms and reaches far beyond the walls of St. Paul's.

#### PRAYERS AND SQUARES

An interfaith outreach ministry of love and service, sewing quilts and

prayer squares for people who are suffering from serious sickness, injury, and/or other physical or emotional needs. The quilts are made to express God's love and the prayers said to Him on behalf of the person receiving the quilt. Through this ministry, there have been many

testimonies of God's love and comfort for many.

The quilts are pieced at the member's homes, then brought to the church to be assembled by the group on Saturdays at 9:00 am. The quilts and prayer squares have threads placed into them providing a place to tie a knot into the quilt and to say a prayer for the recipient. The finished quilts are blessed on Sunday and then placed on tables in the courtyard for members of the congregation to tie knots and pray for the recipient.

To date, this ministry has given over 1,300 quilts locally and in

many states and other countries. Individual prayer squares have been given to the military and to people who are in need of immediate prayer.

**ST. CECILIA CHOIR** - Teens and adults minister in song and praise to the congregation on Sundays and at special services. Over the years, membership has fluctuated from 4 to as many as 20. Regardless of numbers, the choir has been a constant blessing to those who worship at St. Paul's. Practice is at

9:00 am on Saturday mornings under the direction of Tom Fletcher, Music Director since 2007.

**USHERS & GREETERS** - This important ministry is for anyone who wants to welcome new people and help folks feel at home. We strive to be a welcoming and hospitable church family. In addition to greeting people and helping people to know their way around the church, volunteers also help collect the offering during Sunday worship and bring forward the bread and wine for Communion.

Christian Education

## SUNDAY SCHOOL & NURSERY

St. Paul's Sunday School welcomes all children, grades K-6, whether or not their parents or guardians attend services at St. Paul's. We meet each Sunday during the 12:30 Spanish Worship Service, September through May. Our Sunday School program is staffed by encouraging, experienced workers and provides a progressive curriculum of religious education, designed to encourage children's active participation in story, music and prayer. Our current curriculum primarily features "Bible Beginnings" by Wesley. If your child is under the age of 6, we ask that a parent or guardian be on the church grounds during Sunday School.

To read our Nursery and Sunday School Guidelines and to learn more about Sunday School please contact our church office. 928-782-5155. You may also download a Child Registration Form on our website: <u>saintpaulsyuma.org</u>.

#### SUNDAY EVENING BIBLE STUDY

Led by Fr. Paul Gambling, this group meets at 6:30 pm on Sunday evenings. A casual but focused overview of the scriptures, with lots of laughter, and freedom to express views and opinions arising from the text. All are welcome.

#### **PRAYERS WITH PAT**

An informal prayer group of men and women who meet to learn more about the practice of prayer in their lives. Praying is experienced in a caring and sharing environment. The group meets every other Sunday from 2:00 pm to 4:00 pm at the home of Deacon Pat, in the "Lighthouse" behind the church.

Spanish Language Service

In 2009, St. Paul's initiated a Spanish Language Service to meet the needs of our Spanish speaking members. The development of the service was spearheaded by Lilia Mendoza, a member of St. Paul's Parish. Lilia has since been called to training for the deaconate in the diocese of San Diego. She has been an inspiration in the development of this service.

Lilia Mendoza, Deaconate

#### Offered in Spanish:

Baptisms Eucharist / Holy Communion Confirmation Quinceañera Weddings Confession House Blessings Funerals

Spanish Congregation with Bishop Mathes

# Non-Profit Ministries

St. Paul's offers its facilities for use by non-profit organizations, such as The Healing Journey, helping survivors heal from domestic abuse, Yuma County Community Justice Board, and Al-Anon, all without cost.

## THE HEALING JOURNEY

This is a 501-c(3) non-profit organization impacting our Yuma community. <u>Healing Journey</u> groups are for those who have suffered from abuse, who can find safety and empowerment through peer support and education, facilitated by trained survivors, giving back to

their peers. Victims receive the tools in their healing journey to become survivors that thrive. Prevention programs work with teens by providing them educational and preventive measures, life strategies', group topics, and discussions in their peer groups.

## COMMUNITY JUSTICE BOARDS

St. Paul's has partnered with the Yuma County Attorney and the Superior Court, Juvenile Division by providing space and volunteers for a community justice board. <u>Community Justice Boards</u> (CJB) are for juveniles who are in trouble with the law for the first time. Our goal is to reach these youngsters before it is too late. Early intervention with juvenile first offenders can prevent them from committing further crimes. CJB seeks to involve and meet the needs of three co-participants in the justice process – victims, offenders and communities.

The County Attorney's Office works in cooperation with Juvenile Court and with the help of many community agencies, businesses and churches. Since its inception, the program has graduated 150 juveniles who would have otherwise been handled through the delinquency process. In Yuma County, there are seven such boards, including the "St. Paul's Board."

The program depends upon community volunteers who meet together, face-to face, in the same room with the juvenile, the victim and the parent or guardian of the juvenile. The child has previously admitted the crime and agreed to enter the program.

The Board allows the child and the parent to speak and asks them questions about their individual circumstances. The victim is encouraged to address the offender directly, to explain how the crime affected them.

The Board holds the juvenile accountable in a positive way – to help the victim, the child, and the family, as well as the community. The Board assigns Consequences to be completed by the child. These Consequences make amends to the victim, help the child think about his or her behavior and start the child on the path to building skills to cope with life's choices and problems.

#### AL-ANON

<u>Al-Anon</u> offers a new way of life for friends and families of problem drinkers. This program helps its members understand and cope with the difficulties of living with an alcoholic. If you or someone you know is interested, please attend a meeting at St. Paul's, Wednesdays at 12:00 p.m. in the Kinsolving Room, here at St. Paul's.

## Activities and Fellowship

BLESSING OF THE ANIMALS

On the Feast of St. Francis of Assisi, and in remembrance of his love for all creatures, the

traditional blessing of the animals is held in the church courtyard. All polite pets are welcome. A free-will offering is donated to the Humane Society of Yuma.

#### MARDI GRAS

St. Paul's annual party event, usually held the last weekend after Epiphany and prior to Ash Wednesday. The congregation gets together to celebrate with good food and fellowship.

Some come in costume, based on our chosen theme for the year. 2014 was a "Celtic Mardi Gras" theme!

Food - Fan - and Fellowship!

## ST. PAUL'S CONCERT SERIES

With the installation of the Casavant Pipe organ in 1981, it seemed that this beautiful instrument should be shared with the community and was the impetus for beginning a concert series at St. Paul's.

St, Paul's provides quality classical music performances through its Concert Series. Currently the Concert Series is headed by Sally Houston-Baker, who has brought in many professional artists, some world renowned, from outside the community. We also provide a venue for local talented musicians.

The season consists of eight concerts, one each month on a Sunday evening, beginning in October and ending in May. The proceeds from this concert go to a different charitable organization each year.

## ST. PAUL'S EPISTLE

St. Paul's Church Newsletter is published bi-monthly, and contains news, activities, events, announcements, and articles of special interest. The Newsletter is sent by email, or snail mail to all church members. It is also available on our <u>website</u>.

## ST. PAUL'S PARISH PICNIC

The annual St. Paul's Church Picnic is a memorable occasion where our families and friends gather to relax and enjoy an afternoon outdoors together, sharing food, conversation, and fellowship. Grills are available for people to cook their main course, and everyone brings a side dish or dessert to share.

The timing of the picnic in November takes advantage of the wonderful Fall weather, and also provides an opportunity to reconnect with some of our winter visitors that have arrived back to the Yuma area. A covered pavilion with picnic tables at a local park provides an excellent place to accommodate all who make it to the event.

Missions

## "THE MIRACLE OF THE MEXICO HOUSE"

Some have, some don't have. Through the love of God and the generosity of many, we have been given the privilege to create a miracle for a family who doesn't have.

**Yes, we did it!** We took a vacant lot in San Luis Rio Colorado, Mexico, and built a two bed room house with a kitchen and bath room. Truly a miracle to the family of 10 which was previously living in a plywood shack -- a father (earning money by riding his bicycle

picking up cans and cardboard), mother (scrubbing laundry on a rock in the yard), four children, daughter-in-law (working in the fields) and three grandchildren.

We have wonderful friends from Canada who spearheaded the project - starting with bringing \$1,800 donated in Quebec, then working with local pastors on the details of the house, and then doing the incredible Garbage Can Turkey Dinner.

Have you ever had a Garbage Can Turkey Dinner? Turkeys are skewered and slow cooked over coals while covered with (clean) garbage cans. The juices run down and the flavor is

especially one who made 31 pies!

The community turned out to purchase tickets and support our project and we raised \$2,400 toward the \$4,500 needed to build the house!

Then the worker-bees tackled the project, spending numerous days driving the 30 miles to Mexico and actually building the house! We were assisted by a church in the area, and the family pitched in where they could. What a beautiful gift.

Making miracles takes incredible dedication and a great deal of hard work, but this is what our Outreach Ministry is all about.

The Mexico House one of the ways we are truly doing the work of the Lord!

Team accommodations at local church!

About Yuma, Arizona

Yuma County encompasses 5,522 square miles (similar to the size of the State of Connecticut) in the southwest quadrant of Arizona – bordered by both California and Mexico, accented by ribbons of green fields, desert and rugged mountains.

Nestled in the Yuma, Gila, and Dome valleys, Yuma's dry climate blends pleasant desert sunshine with the cool waters of the Colorado and Gila Rivers.

Our clean air affords a year round 100 mile vista of mountains and desert under glorious sunrises and sunsets and star studded skies. An old Yuma Hotel in the late 1800's boasted a sign,

"Free Room & Board every day the Sun doesn't Shine". Ranked by

Money Magazine as one of the top places to live in the United States, no wonder many of the people who visit our community return to raise a family, retire in comfort, or simply take advantage of being part of one of America's fastest growing cities.

> "The Yuma community is overly generous and a hard working community that has proved over its 100 year history to be a great place to live and raise a family."

~ Douglas Nicholls, Mayor, City of Yuma

Yuma is located halfway between Phoenix and San Diego. The nearby Colorado river boasts exceptional opportunities for water sports, and world class snow skiing is only a day's drive to the north.

Just under 200,000 people have made Yuma County their home – and love its comfortable, affordable lifestyle. The regions economy thrives on a \$1.3 billion high-tech agribusiness industry, a robust winter visitor ("Snowbird") presence, a progressive, modern regional medical facility, expansive retail and hospitality and a growing manufacturing sector. Yuma offers a variety of recreational activities and cultural attractions. Enjoy boating, fishing, hunting or golfing and a wide variety of ethnic restaurants or unique shopping opportunities.

Yuma County hosts two prominent Defense Facilities, the U.S. Army Yuma Proving Ground and the Marine Corps Air Station.

When you come to Yuma, meet its people, see the places and things to do, you will be filled with a firm sense that this is an area that anyone could call home. Visit the Chamber of Commerce at: www.yumachamber.org.
